**3<sup>rd</sup> year( Ahire batch) Aug 25- May 26**

Lec t.no	DAT E PLA NNE D	NAME OF TOPIC PLANNED	faculty
		<b>TERM I</b>	
1.	26/8/25	Hahnemann's preface & introduction to the organon of medicine	Dr. Pooja
2.	28/8/25	Discussion of changes from 5th to 6 <sup>th</sup> edition	Dr.M ANE
3.	2/9/25	Discussion of 4 epochal figures in the history of medicine	Dr. Pooja
4.	3/9/25	Discussion about tollecausam&cessateffectuscessat causa	Dr.Ma ne
5.	3/9/25	Discussion about Hahnemann's experiment of cinchona	Dr. Pooja
6	3/9/25	Discussion about advantage of Homoeopathy	Dr.Ma ne
7	4/9/25	Discussion about advantage of Homoeopathy	Dr.Ma ne
8	9/9/25	Discussion of the accidental homoeopathic cures	Dr.

*Mahalaxmi Homoeopathic Medical college, Hospital and  
research Centre, RAIGAON SATARA*

**ORGANON OF MEDICINE AND HOMOEOPATHIC  
PHILOSOPHY**

## *Advance Teaching Plan*

*3<sup>rd</sup> year (Ahire batch) August 25- MAY 26*

9	10/9/25	Discussion of the method of treatment during & before Hahnemann	Pooja Dr. Mane
10	10/9/25	Discussion of materia peccans	Dr. Pooja
11	10/9/25	Discussion on the criticism on blood letting & Duce naturae	Dr. Mane
12	11/9/25	Discussion on duce naturae & management of intestinal parasite	Dr. Mane
13	16/9/25	Discussion of reasons for most appropriate therapeutic employment of medicines. Aph. 146	Dr. Pooja
14	17/9/25	Discussion of the probable explanation of homoeopathic cure	Dr. MANE
15	17/9/25	Discussion aph. 147- 149, discussion about specific remedy	Dr. Pooja
16	17/9/25	Aph. 150 indisposition discussion	Dr. Mane
17	18/9/25	Management of indisposition with its examples	Dr. Mane
18	23/9/25	Discussion about importance of detailed case taking	Dr. Pooja
19	24/9/25	Discussion about case taking in acute disease	Dr. Mane
20	24/9/25	Discussion about remedy selection in acute disease	Dr. Pooja
21	24/9/25	Aph. 153 discuss difference between common & characteristic symptom	Dr. Mane
22	25/9/25	Aph. 154 discuss the concept of susceptibility & similarity between drug & disease	Dr. Mane

*Mahalaxmi Homoeopathic Medical college, Hospital and  
research Centre, RAIGAON SATARA*

*ORGANON OF MEDICINE AND HOMOEOPATHIC  
PHILOSOPHY*

*Advance Teaching Plan*

*3<sup>rd</sup> year (Ahire batch) August 25- MAY 26*

23	30/9/25	Aph. 155-156 discession about homoeopathic cure	Dr. Pooja
24	1/10/25	Aph- 157-161 discussion about homoeopathic aggravation & its progn	Dr. Mane
25	1/10/25	Discuss the concept of partial similimum & recognize the accessory symptoms of remedy	Dr. Pooja
26	1/10/25	Aph. 164- 167 discussion of the success & failure in case of paucity of symptoms	Dr. Mane
27	7/10/25	Aph 168-171 discussion about treatment in case of paucity of symptoms	Dr. Pooja
28	8/10/25	Discussion about one sided disease, different types of one sided disease	Dr. Mane
29	8/10/25	Treatment of one sided disease discussion	Dr. Pooja
30	8/10/25	Discussion about one sided disease, different types of one sided disease	Dr. Mane
31	9/10/25	Aph. 185- 190 discussion about local maladies	Dr. Mane
32	28/10/25	Discussion about rules for treatment in local maladies	Dr. Pooja
33	29/10/25	Discussion about advantage of internal treatment vs local applications in local maladies	Dr. Mane
34	29/10/25	Aph. 204- 209 discussion about recognize the effect of miasm & importance of vicarious local symptoms	Dr. Pooja
35	29/10/25	Discussion of management of these local symptoms	Dr. Mane
36	30/10/25	Discussion of the management of complex miasmatic disease	Dr. Mane
37	4/11/25	Importance of past history in complex miasmatic disease	Dr. Pooja

*Mahalaxmi Homoeopathic Medical college, Hospital and  
research Centre, RAIGAON SATARA*

*ORGANON OF MEDICINE AND HOMOEOPATHIC  
PHILOSOPHY*

*Advance Teaching Plan*

*3<sup>rd</sup> year (Ahire batch) August 25- MAY 26*

38	5/11/25	Importance of repeated conversations with the patients in treating miasmatic disease with eg	Dr. Mane
39	5/11/25	Aph.231-234 discussion of intermittent & alternating disease with eg.	Dr. Pooja
40	5/11/25	Importance of repeated conversations with the patients in treating miasmatic disease with eg	Dr. Mane
41	6/11/25	Discussion of types of intermittent fevers & management of intermittent fevers	Dr. Mane
42	11/11/25	Management of epidemic intermittent fevers	Dr. Pooja
43	12/11/25	Discussion of management of pernicious intermittent fevers	Dr. Mane
44	12/11/25	Discussion of management of endemic intermittent fevers	Dr. Pooja
45	12/11/25	Nature of chronic disease	Dr. Mane
46	13/11/25	Discussion about limitation of homo. Intreating non-venereal chronic disease	Dr. Mane
47	18/11/25	Discussion about the events leading to discovery of chronic miasms	Dr. Pooja
48	19/11/25	Discussion about psora	Dr. Mane
49	19/11/25	Discussion about theory of chronic disease	Dr. Pooja
50	19/11/25	Discussion of history of accidental psora	Dr. Mane
51	20/11/25	Discussion about latent psora	Dr. Mane
52	25/11/25	Identification & discussion about latent psora	Dr. Pooja
53	26/11/25	Differentiate between syphilis & sycosis	Dr. Mane
54	26/11/25	Discussion about consequence of suppressed sycosis	Dr. Pooja

*Mahalaxmi Homoeopathic Medical college, Hospital and  
research Centre, RAIGAON SATARA*

*ORGANON OF MEDICINE AND HOMOEOPATHIC  
PHILOSOPHY*

*Advance Teaching Plan*

*3<sup>rd</sup> year (Ahire batch) August 25- MAY 26*

55	26/11/ 25	Discussion about treatment of sycosis	Dr. Ma ne
56	27/11/ 25	Discussion about treating complicated cases	Dr. Ma ne
57	2/12/2 5	Discussion about syphilis & its nature of development	Dr. Pooja
58	3/12/2 5	Discussion about the nature & appearance of chancre	Dr. Ma ne
59	3/12/2 5	Discussion about identifying the dangers of conventional treatment for syphilis	Dr. Pooja
60	3/12/2 5	Discussion about the three states in cure of syphilis	Dr. Ma ne
61	4/12/2 5	Describe the way to treat syphilis with homoeopathy	Dr. Ma ne
62	9/12/2 5	Discussion of the treatment of syphilis complicated with psora	Dr. Pooja
63	10/12/ 25	Discussion about the nature of psora	Dr. Ma ne
64	10/12/ 25	Discussion about the sign& symptoms of psora	Dr. Pooja
65	10/12/ 25	Discussion about suppression of primary psora eruption	Dr. Ma ne
66	11/12/ 25	Discussion about homoeopathic treatment of psora	Dr. Ma ne
67	16/12/ 25	Discussion about the limitation & hindrance to the cure of psora	Dr. Pooja
68	17/12/ 25	Discussion about the healthy lifestyle while treating chronic disease	Dr. Ma ne
69	17/12/ 25	Discussion about the antipsoric treatment	Dr. Pooja
70	17/12/ 25	Discussion about the errors in the cure of chronic disease	Dr. Ma ne
71	18/12/ 25	Time of administration of antipsoric medicine	Dr. Ma ne

*Mahalaxmi Homoeopathic Medical college, Hospital and  
research Centre, RAIGAON SATARA*

*ORGANON OF MEDICINE AND HOMOEOPATHIC  
PHILOSOPHY*

*3<sup>rd</sup> year (Ahire batch) August 25- MAY 26*

72	23/12/ 25	Aph. 245-251 discussion about repetition of doses	Dr. Pooja
73	24/12/ 25	Aph 246- compare the result of unchanged dose & deviated dose	Dr. Ma ne
74	24/12/ 25	Aph.247 – analysis the effect of repetition with unchanged dose	Dr. Pooja
75	24/12/ 25	Aph.248 – discussion about the preparation of deviated dose	Dr. Ma ne
76	30/12/ 25	Aph.249 – discussion about the repetition of deviated doses in various situations	Dr. Pooja
77	31/12/ 25	Aph. 250 -discuss the indication of antidote	Dr. Ma ne
78	31/12/ 25	Aph.251 – discussion about indication of change of remedy	Dr. Pooja
79	31/12/ 25	Discussion about recognize the condition of repetition of remedy	Dr. Ma ne
80	1/1/26	Discussion about the reason for lack of improvement in case	Dr. Ma ne
81	6/1/26	Discussion about the sign of improvement & aggravation	Dr. Pooja
82	7/1/26	Discussion about the importance of follow up	Dr. Ma ne
83	7/1/26	Aph 257- 258 discussion about prejudice in prescription with eg.	Dr. Pooja
84	7/1/26	Aph 264- 267 – discussion about preparation of medicine from fresh plants	Dr. Ma ne
85	8/1/26	Aph268 – discussion about the preparation of medicines from dry vegetable substance	Dr. Ma ne
86	13/1/2 6	Aph.269-271 describe the preparation of medicines from dry vegetable substance	Dr. Pooja
87	14/1/2 6	Aph.272-273 discuss law of simplex	Dr. Ma ne
88	14/1/2 6	Aph. 274 – discussion about the disadvantage of multiple remedies	Dr. Pooja

*Mahalaxmi Homoeopathic Medical college, Hospital and  
research Centre, RAIGAON SATARA*

*ORGANON OF MEDICINE AND HOMOEOPATHIC  
PHILOSOPHY*

*3<sup>rd</sup> year (Ahire batch) August 25- MAY 26*

89	14/1/2 6	Discussion about posology	Dr. Ma ne
90	15/1/2 6	Discussion about homeopathic aggravation & management	Dr. Ma ne
91	20/1/2 6	Discussion about use of large dose of specific remedies	Dr. Pooja
92	21/1/2 6	Aph. 284-285 discussion about the route of administration	Dr. Ma ne
93	21/1/2 6	Aph. 259 discussion about diet & regimen for acute disease	Dr. Pooja
94	21/1/2 6	Aph. 260-261 discussion about the errors in diet & regimen forming obstacles to cure	Dr. Ma ne
95	22/1/2 6	Aph. 262- 263 discussion about diet & regimen for acute disease	Dr. Ma ne
96	27/1/2 6	Aph. 286- 291 Discussion about auxiliary mode of treatment	Dr. Pooja
97	28/1/2 6	Discussion about mode of each auxiliary treatment & advantage of each	Dr. Ma ne
98	28/1/2 6	Susceptibility Kent chap XIV , discussion of aph. 31-33	Dr. Pooja
99	28/1/2 6	Roberts chap. XVII susceptibility	Dr. Ma ne
100	29/1/2 6	Stuart close chap VII susceptibility discussion	Dr. Ma ne
101	3/2/26	Close chap VIII discuss the types of idiosyncrasy, relation between idiosyncrasy & drug disease	Dr. Pooja
102	4/2/26	Kent chap. XXIX , discussion between idiosyncrasy & allergy	Dr. Ma ne
103	4/2/26	Robert suppression discussion, various types	Dr. Pooja
104	4/2/26	Close chap. VI & IX Discussion of ill effects of suppression	Dr. Ma ne
105	5/2/26	Kent chap XXXVII Palliation discussion & condition where palliation required	Dr. Ma ne

*Mahalaxmi Homoeopathic Medical college, Hospital and  
research Centre, RAIGAON SATARA*

*ORGANON OF MEDICINE AND HOMOEOPATHIC  
PHILOSOPHY*

*3<sup>rd</sup> year (Ahire batch) August 25- MAY 26*

106	10/2/2 6	Roberts chap.XIX discuss the law of palliation & its application	Dr. Pooja
107	11/2/2 6	Discussion about Kent observation & prognosis of each observation	Dr.Ma ne
108	11/2/2 6	Roberts discussion of the significans of variuos aggravation & amelioration	Dr. Pooja
109	11/2/2 6	Discussion about risk of using high potencies in advanced cases	Dr.Ma ne
110	12/2/2 6	Discussion about second prescription, types of second prescription	Dr.Ma ne
111	17/2/2 6	Roberts chap XVI Second prescription	Dr. Pooja
112	18/2/2 6	Roberts chap. XII,XIII posology	Dr.Ma ne
113	18/2/2 6	Discussion about the minimum dose to the dynamic nature of disease	Dr. Pooja
114	18/2/2 6	Discussion about primary & secondary actions of drugs	Dr.Ma ne
115	19/2/2 6	Close chap.XIII Discussion about importance of posology in homoeopathy, concept of minimum dose	Dr.Ma ne
116	24/2/2 6	Distinguish between physiological, therapeutic & pathological doses, repetition of doses	Dr. Pooja
117	25/2/2 6	Kent chap XVII , Distinguish between acute & chronic disease	Dr.Ma ne
118	25/2/2 6	Kent chap. XVIII discussion about evolution & progression of psora, impact of suppressive treatments on psora	Dr. Pooja
119	25/2/2 6	Kents chap. XIX explain the relationship between psora, sycosis, syphilis, characteristics of psora	Dr.Ma ne
120	26/2/2 6	Kents chap. XX Discussion about general characteristic of syphilis	Dr.Ma ne
121	3/3/26	Discussion about different stages of syphilis, how hom. remedies acts on syphilis in different stages	Dr. Pooja
122	4/3/26	Kents chap. XXI discussion between acute & chronic gonorrhoea, consequence of suppressed gonorrhoea	Dr.Ma ne

*Mahalaxmi Homoeopathic Medical college, Hospital and  
research Centre, RAIGAON SATARA*

*ORGANON OF MEDICINE AND HOMOEOPATHIC  
PHILOSOPHY*

*3<sup>rd</sup> year (Ahire batch) August 25- MAY 26*

123	4/3/26	Identifying sycosis & distinguish it from other miasm	Dr. Pooja
124	4/3/26	Discussion about scope & limitation of homoeopathy	Dr.Ma ne
125	5/3/26	General pathology of homoeopathy	Dr.Ma ne
126	10/3/2 6	Discussion about doctrine of latency, metastasis, dangers of suppression	Dr. Pooja
127	11/3/2 6	Discussion about sign & symptoms of latent & developed psora	Dr.Ma ne
128	11/3/2 6	Discuss the concept of pseudo psora & its relationship to various miasms	Dr. Pooja
129	11/3/2 6	Discussion about the limitation & errors in treating chronic miasmatic disease	Dr.Ma ne
130	12/3/2 6	Difference between two distinct school of homoeopathy	Dr.Ma ne
131	17/3/2 6	Three points in Dr. Hughes teaching that emphasis on value of law of similar in homoeopathy	Dr. Pooja
132	18/3/2 6	Relationship between miasm & pathology	Dr.Ma ne
133	18/3/2 6	Discussion about chronic miasms & their role in disease development	Dr. Pooja
134	18/3/2 6	Three points in Dr. Hughes teaching that emphasis on value of law of similar in homoeopathy	Dr.Ma ne
135	24/3/2 6	Discussion about the relationship between acute miasmatic diseases & chronic miasms	Dr. Pooja
136	25/3/2 6	Discussion about relationship between bacteria & pathology	Dr.Ma ne
137	25/3/2 6	Discussion about relationship between miasm & abnormal growths	Dr. Pooja
138	25/3/2 6	Discussion about role of suppression in miasmatic disease	Dr.Ma ne
139	26/3/2 6	Discussion about role of suppression in miasmatic disease	Dr.Ma ne
